Curt,

I have made arrangements to have your father and his guests met at the entrance gate to the Arkwood site next Tuesday, April 24 at 10:30 am.

Please note that for future access request notices, there is no need to copy other McKesson representatives on your request. A request to me is sufficient.

Jean Mescher

Subject: Notice for McKesson to provide access to Arkwood

Ms Mescher:

My father Bud Grisham requires access to the Arkwood site at exactly 10:30 AM Central Time on Tuesday, April 24, 2012. He asked me to convey this message to you as he does not use email.

Please confirm with me that you have received this message and that the access will be provided as specified.

Curt Grisham
